

Team Registration Form

Team rosters for any 365 SWPF meet may have a minimum of 4 and a maximum of 11 (2 alternate members permitted). Lifters crossing over into 2 or more separate divisions can only use their best score in one division to count toward team points. Teams are NOT limited by the number of team members in the same division/weight class. Scoring will be done by divisional/weight class placement and formula (when necessary). The team winner will be determined by the accumulation of points earned by each team member. In the case of a tie here are your ties breakers: 1) Total 1st Places, 2) Total 2nd Places and 3) Accumulative Formula point total.

Team Registration Fee: \$80.00 per team.
